

# CERTIFICATE

This is to certify that

## Kennedy Valve

1021 East Water Street  
Elmira, NY 14901  
United States of America

has implemented and maintains an **Environmental Management System**.

Scope:

The environmental activities and supporting processes associated with the manufacture of gray and ductile iron castings for use in fire hydrant components, fire hydrants, indicator posts and check, gate and butterfly valves.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

## ISO 14001 : 2015
